On 4/2/2020, at approximately 1933hrs, I was assigned as the evening shift supervisor and responded to 181 Oak St for an assist for Parole Fugitive Task Force. Dispatch stated parole was going to this address for Jose Soto who holds a warrant from parole. At the time parole did not have a DOB for the suspect. As officer's responded Ofc Rago requested dispatch to get a staging area to meet parole, dispatch advised units that parole was already at the residence attempting to make contact with the suspect and had already been in contact with the suspect's mother, who confirmed Jose was inside. Parole was asking for MPD units to set up a perimeter outside the house.

As I arrived on scene, Ofc Rago had already taken up a perimeter position to the rear of the house. I made contact with the Parole Officers, Frank Vieira and John Lindgren who were speaking with a Jose's mother, Noraida Diaz (7-6-65) on the front porch. They informed me she believed that Jose may be in possession of a firearm and has a history of firearms related offences.

SUPPLEMENTARY

Parole also informed me that while speaking with Noraida prior to our arrival they believe to have observed Jose inside the home. When they attempted to speak with him he stated he was his brother and went into the basement. It was at this point where they confirmed it was Jose and his mother said he possibly has a firearm in the basement. While attempting to speak with Noraida she appeared extremely nervous and concerned for her family's safety because Jose had gone into the basement with a gun.

I removed Noraida from the front porch, leaving the front door open with a view of the closed basement door. I questioned her if there was anyone else inside the house and she informed us that her boyfriend "Tony" and her daughter Nicole Rivera (6-24-04) were the only other individuals inside. Noraida attempted several times to yell to them to get them out of the house. While attempting to get them out I observed the basement door abruptly open, and heard a males voice yell something similar too, if you come in I'm going to be shooting and the male made references to killing everyone. After these comments the door slammed shut. We were able to call to the other occupants and safely removed them from the residence and secured them in the rear of my patrol vehicle. Noraida now realized the severity of the situation and stated that she wasn't sure if Jose actually had the gun.

At this point I had an established perimeter around the house with officers Jackson and Brouillard covering the 2/3 corner of the house, Ofc Fullana covering the 4 side and officers Rago and R Johnson covering the 1 side with the view of the basement door. A patrol vehicle was positioned on the front lawn directly in front of the doorway. This position allowed for officers to keep the clear line of sight on the basement door and provided them cover. I began to have perimeter officers notify the houses in close proximity to remain inside and

notified dispatch of our actions.

I made notification to Capt. Grant and informed him of the situation up to this point. Due to the fact we had a dangerous convicted felon possibly armed with a firearm barricaded in the basement already making threats of violence I advised him I wished to activate the Capitol Region Emergency Services Team (CREST). Capt. Grant agreed and the notification was made to the Team Commander. A command post was established in the Nathan Hale School parking lot located at 160 Spruce St. I advised Noraida and her family to relocate to this location and officers would meet them there in order to gather more information.

While on scene parole officers stated they had previously been in contact with Det Moss regarding Jose, but failed to have any further details. With the situation contained to the residence and confirmation the suspect was in the basement, I turned command at 181 Oak St over to Sgt Gaudino and proceeded to the Command Post to update personnel as they arrived.

Noraida, "Tony", Nicole and other family members were at the Command Post and stated they had Jose on the phone and currently talking with him. Det Hearn was the first to arrive and I quickly filled her in on the situation as she assisted with family speaking with Jose on the phone. Jose made statement that he was going to come out of the house and he was advised to come out with his hands up and walk out the front door slowly. I relayed this information to Sgt Gaudino in order for him to prepare officers for a surrender. Jose did not surrender at this time and remained in the basement.

Once CREST and MPD command staff arrived I provided them with updates and they assumed tactical control of the incident. I remained in the command post at Nathan Hale for the duration of the incident. I contact Det Moss in order to obtain more information regarding Jose. Det Moss informed me that Jose was a suspect in an armed robbery which occurred several weeks prior. As the situation progressed I provided necessary updates to dispatch and patrol officers. Once informed of the Officer Involved Shooting (OIS) I advised all patrol units to go to channel 2 Encrypted and provided them with this information. As the ambulance was transporting Jose to Hartford Hospital I assigned Ofc Jackson to follow and remain with him until ordered otherwise.

Once the command center was broken down, Det. Sgt Hughes was on scene at 181 Oak St and I returned to MPD in order to assign units to relieve all involved personnel on scene. I then returned to my normal duties as Patrol Supervisor.
