On April 2, 2020, I was working as an evening shift patrol supervisor (XRAY19). I was assigned an unmarked patrol SUV (363MA) for the duration of my shift. At all times I was in my full patrol uniform, clearly identifiable as a Manchester Police Officer.

At about 7:33 PM, I overheard dispatch send two patrol units to 181 Oak Street to assist another agency. It was broadcasted that Parole was requesting police assistance with setting up a perimeter while they attempted to take Jose Soto into custody. Sgt. Desso and I responded to the incident as well.

While enroute to the address, dispatch advised us that Jose is known to carry firearms and has a history of committing robberies. Parole had an active arrest warrant for Jose.

Upon arriving at the address, I observed Sgt. Desso and two Parole Officers speaking with a female at the front door. I took a position at the rear of the residence in the event the suspect attempted to flee towards the rear while officers made contact at the front door. While in position, Sgt. Desso advised over the radio that the suspect was confirmed to be inside the residence and barricaded himself in the basement with a firearm.

Ofc. Brouillard and Ofc. Jackson arrived to assist me with maintaining the rear perimeter. We took a position behind a white van that was approximately 30 feet from the rear of the residence. While they were maintaining cover, I made contact at three separate residential homes directly north of the suspect residence. I advised the occupants that there was a barricaded subject inside the home and they needed to remain in a safe area of their home until told otherwise.

I walked west through the backyard of 173 Oak Street and made my way to Sgt. Desso's location behind a patrol SUV directly in front of 181 Oak Street. At about 8:08 PM, Sgt. Desso gave me command of the scene while he moved to Nathan Hale School, 160 Spruce

Street, to command the CREST staging area.

While on scene, I remained behind the patrol SUV with Ofc. Rojo and Ofc. Rago while they maintained visual at the front of the residence. At about 8:31 PM, the CREST Bearcat armored vehicle arrived at my location and replaced the patrol SUV that I was positioned behind. I entered the rear passenger compartment of the Bearcat and maintained contact with Sgt. Desso at the command post. At about 9:10 PM, I overheard other CREST team members say the suspect was going to come out the front door. CREST team members took various positions around the Bearcat while I remained inside the passenger compartment. At about 9:16 PM, I heard CREST team members advising that the subject is approaching the door. A CREST member began giving verbal commands for a short period of time before several shots were fired and it was communicated that the suspect was down. I was unable to see the suspect and associated shooting from my location inside the Bearcat. My view was obstructed by other CREST members that were inside the Bearcat. I exited the Bearcat and maintained an exterior perimeter while Medics and CREST personnel began to provide lifesaving measures to the suspect. I requested additional patrol units to the scene to put up crime scene tape and maintain scene integrity. I assigned Ofc. Hebert to scene security at the rear of the residence and Ofc. Fullana to scene security at the front of the residence. At about 10:30 PM, I was relieved on scene by Sgt. Hughes.
