with us on the #3 side. The Bear (armored vehicle) pulled into the driveway near the #2 and #3 side. The bear contained, more CREST team members and medics that were ready to deploy if needed. After negotiations, CREST Command stated that Soto was going to come out the front of the residence and stated that he said, "I'm sorry." At this time, I could hear that CREST team members in the front of the house ordering him to show his hands. Seconds later, I heard several gunshots.
