- (b) The Agency may amend this Contract to reduce the contracted amount of compensation if:

- (1) the total amount budgeted by the State for the operation of the Agency or Services provided under the program is reduced or made unavailable in any way; or
 - (2) federal funding reduction results in reallocation of funds within the Agency.
- (c) If the Agency decides to reduce the compensation, the Agency shall send written Notice to the Contractor. Within twenty (20) Days of the Contractor's receipt of the Notice, the Contractor and the Agency shall negotiate the implementation of the reduction of compensation unless the parties mutually agree that such negotiations would be futile. If the parties fail to negotiate an implementation schedule, then the Agency may terminate the Contract effective no earlier than sixty (60) Days from the date that the Contractor receives written notification of Termination and the date that work under this Contract shall cease.

2. Contractor Changes and Assignment.

- (a) The Contractor shall notify the Agency in writing:
- (1) at least ninety (90) days prior to the effective date of any fundamental changes in the Contractor's corporate status, including merger, acquisition, transfer of assets, and any change in fiduciary responsibility;
 - (2) no later than ten (10) days from the effective date of any change in:
 - (A) its certificate of incorporation or other organizational document;
 - (B) more than a controlling interest in the ownership of the Contractor; or
 - (C) the individual(s) in charge of the performance.
- (b) No such change shall relieve the Contractor of any responsibility for the accuracy and completeness of the performance. The Agency, after receiving written Notice from the Contractor of any such change, may require such contracts, releases and other instruments evidencing, to the Agency's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that allowance has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to the Agency in accordance with the terms of the Agency's written request. The Agency may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to perform under the Contract until performance is fully completed.
- (c) **Assignment.** The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of the Agency.
- (1) The Contractor shall comply with requests for documentation deemed to be appropriate by the Agency in considering whether to consent to such assignment.
 - (2) The Agency shall notify the Contractor of its decision no later than forty-five (45) Days from the date the Agency receives all requested documentation.
 - (3) The Agency may void any assignment made without the Agency's consent and deem such assignment to be in violation of this Section and to be in Breach of the Contract. Any cancellation of this Contract by the Agency for a Breach shall be without prejudice to the Agency's or the State's rights or possible claims against the Contractor.

3. Breach.

- (a) If either party Breaches this Contract in any respect, the non-breaching party shall provide written notice of the Breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) Days from the date that the breaching party receives the notice. In the case of a Contractor Breach, the Agency may modify the ten (10) day cure period in the notice of Breach. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the Breach is such that it cannot be cured within the right to cure period. The Notice may include an effective Contract cancellation date if the Breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the cancellation date, no further action shall be required of any party to effect the cancellation as of the stated date. If the notice does not set forth an effective Contract cancellation date, then the non-breaching party may cancel the Contract by giving the breaching party no less than twenty four (24) hours' prior written Notice after the expiration of the cure period.
- (b) If the Agency believes that the Contractor has not performed according to the Contract, the Agency may:
- (1) withhold payment in whole or in part pending resolution of the performance issue, provided that the Agency notifies the Contractor in writing prior to the date that the payment would have been due in accordance with the budget;
 - (2) temporarily discontinue all or part of the Services to be provided under the Contract;
 - (3) permanently discontinue part of the Services to be provided under the Contract;
 - (4) assign appropriate State personnel to provide contracted for Services to assure continued performance under the Contract until such time as the contractual Breach has been corrected to the satisfaction of the Agency;
 - (5) require that contract funding be used to enter into a subcontract with a person or persons designated by the Agency in order to bring the program into contractual compliance;
 - (6) take such other actions of any nature whatsoever as may be deemed appropriate for the best interests of the State or the program(s) provided under this Contract or both; or
 - (7) any combination of the above actions.
- (c) The Contractor shall return all unexpended funds to the Agency no later than thirty (30) calendar days after the Contractor receives a demand from the Agency.
- (d) In addition to the rights and remedies granted to the Agency by this Contract, the Agency shall have all other rights and remedies granted to it by law in the event of Breach of or default by the Contractor under the terms of this Contract.
- (e) The action of the Agency shall be considered final. If at any step in this process the Contractor fails to comply with the procedure and, as applicable, the mutually agreed plan of correction, the Agency may proceed with Breach remedies as listed under this section.
- (f) **Non-enforcement Not to Constitute Waiver of Breach.** No waiver of any Breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent Breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity. A party's failure to insist on strict

performance of any section of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or Breach.

4. Ending the Contractual Relationship; Termination.

- a. This Contract shall remain in full force and effect for the duration of its entire term or until such time as it is terminated earlier by either party or cancelled.
- b. If this Contract is terminated for any reason, cancelled or it expires in accordance with its term, the Contractor shall do and perform all things which the Agency determines to be necessary or appropriate to assist in the orderly cessation of Services it performs under this Contract. In order to complete such transfer and wind down the performance, and only to the extent necessary or appropriate, if such activities are expected to take place beyond the stated end of the Contract term then the Contract shall be deemed to have been automatically extended by the mutual consent of the parties prior to its expiration without any affirmative act of either party, including executing an amendment to the Contract to extend the term, but only until the transfer and winding down are complete.
- c. **Termination.**
 - i. Notwithstanding any provisions in this Contract, the Agency, through a duly authorized employee, may Terminate the Contract whenever the Agency makes a written determination that such Termination is in the best interests of the State. The Agency shall notify the Contractor in writing of Termination pursuant to this section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.
 - ii. The Agency may terminate the Contract at any time without prior notice when the funding for the Contract is no longer available.
 - iii. Notwithstanding any provisions in this Contract, the Agency, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, Terminate the Contract in accordance with the provisions in the Breach section of this Contract.

Notwithstanding any provisions in this Contract, the Agency may immediately terminate or cancel this Contract in the event that the Contractor or any subcontractors becomes financially unstable to the point of threatening its ability to conduct the services required under this Contract, ceases to conduct business in the normal course, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or its assets.
 - v. Such Notice of Termination shall be sent in accordance with the Notice provision contained on page 1 of this Contract. Upon receiving the notice from the Agency, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake all commercially reasonable efforts to mitigate any losses or damages, and deliver to the Agency all Records. The Records are deemed to be the property of the Agency and the Contractor shall deliver them to the Agency no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the Agency for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
 - vi. Upon receipt of a written notice of Termination from the Agency, the Contractor shall cease operations as the Agency directs in the notice, and take all actions that are necessary or appropriate, or that the Agency may reasonably direct, for the protection, and preservation of the Goods and any other property. Except for any work which the Agency directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as

otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.

- vii. The Contractor shall return to the Agency any funds not expended in accordance with the terms and conditions of the Contract and, if the Contractor fails to do so upon demand, the Agency may recoup said funds from any future payments owing under this Contract or any other contract between the State and the Contractor. Allowable costs, as detailed in audit findings, incurred until the date of termination or cancellation for operation or transition of program(s) under this Contract shall not be subject to recoupment.
 - viii. The Agency shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Agency in accordance with Part I in addition to all actual and reasonable costs incurred after Termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Agency is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by the Agency, the Contractor shall assign to the Agency, or any replacement contractor which the Agency designates, all subcontracts, purchase orders and other commitments, deliver to the Agency all Records and other information pertaining to its Performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as the Agency may request.
 - ix. For breach or violation of any of the provisions in the section concerning Representations and Warranties, the Agency may Terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.
 - x. Upon Termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.
 - xi. Termination of the Contract pursuant to this section shall not be deemed to be a breach of contract by the Agency.
- d. **Transition after Termination or Expiration of Contract.**
- i. If this Contract is terminated for any reason or it expires in accordance with its term, the Contractor shall do and perform all things which the Agency determines to be necessary or appropriate to assist in the orderly cessation of Services it performs under this Contract. In order to complete such transfer and wind down the performance, and only to the extent necessary or appropriate, if such activities are expected to take place beyond the stated end of the Contract term then the Contract shall be deemed to have been automatically extended by the mutual consent of the parties prior to its expiration without any affirmative act of either party, including executing an amendment to the Contract to extend the term, but only until the transfer and winding down are complete.
 - ii. If this Contract is terminated, cancelled or not renewed, the Contractor shall return to the Agency any equipment, deposits or down payments made or purchased with start-up funds or other funds specifically designated for such purpose under this Contract in accordance with the written instructions from the Agency in accordance with the Notice provision of this Contract. Written instructions shall include, but not be limited to, a description of the equipment to be returned, where the equipment shall be returned to and who is responsible to pay for the

delivery/shipping costs. Unless the Agency specifies a shorter time frame in the letter of instructions, the Contractor shall affect the returns to the Agency no later than sixty (60) days from the date that the Contractor receives Notice.
