Liquor Control Division Director

RE: Delivery Extension Approved for May 2022

The Department received a written request filed by the Wine and Spirits Wholesalers of Connecticut, Inc. requesting permission to deliver alcohol beverage products ordered in May 2022 through June 3, 2022.

The Department reviewed this request, which highlights the unique nature of the calendar. Specifically, May ends on a Tuesday but the preceding Monday is a federally recognized holiday. This calendar set up makes it difficult to complete order delivery before the month's end. Following review, the Department has approved the request and extends it to all Connecticut wholesalers.

Please note that this approval pertains to extension of delivery only and not to the placing of orders. All orders must still be placed by May 31, 2022.

If you have any questions regarding this extension or any liquor-related matter, please email us at [dcp.liquorcontrol@ct.gov](mailto:dcp.liquorcontrol@ct.gov).
