RE: Brescome Barton, Inc. – Closed Friday, 2/25/22, Delivering Saturday, 2/26/22  
/ Credit Terms

Director Anderson:

Brescome Barton, Inc. will be closing our offices and will not be making any deliveries on Friday, February 25, 2022, due to the Winter Storm Watch for Connecticut and the probability of icy and dangerous road conditions. Brescome will be delivering on **Saturday, February 26, 2022.**

Brescome Barton is seeking approval to extend customer credit terms for customers who are on ***open credit terms*** as of the close of business on Thursday, February 24<sup>th</sup>. Brescome has requested and received approval for similar weather-related business closures in the past.

If approved, customers would receive orders on Saturday, February 26, even if the customer has an invoice coming 30 days due on Friday, February 25<sup>th</sup>.

The projected number of accounts impacted by the credit terms should be limited.

For your review and consideration. Please contact me if you have any questions of need additional information.

Best regards,

Mark J. Sirois  
Director of Compliance

All wholesalers may extend credit of retailers one extra day from February 25, 2022 to February 26, 2022 due to anticipated winter weather impacting normal retail and wholesale operations; in order to receive the extra day extension, the retailer's 30-day period must expire on February 25, 2022. Said retailers may still receive deliveries on February 26, 2022.
