Liquor Control Division Director

RE: Delivery Extension Approved for May 2023

The Department received a written request filed by the Wine and Spirits Wholesalers of Connecticut, Inc. requesting permission to deliver alcohol beverage products ordered in May 2023 until Friday, June 2, 2023.

The Department reviewed this request, which highlights: (1) the unique nature of the calendar, namely that the Memorial Day holiday falls on May 29<sup>th</sup>, which is only three days before the end of the month, (2) the anticipated high volume of last-minute orders due to the holiday, and (3) the anticipated increase in holiday traffic congestion that will reduce delivery times.

Following review, the Department has approved the request and extends it to all Connecticut wholesalers. Please note that this approval pertains to extension of delivery only and not to the placing of orders. All orders must still be placed by May 31, 2023.

If you have any questions regarding this extension or any liquor-related matter, please email us at [dcp.liquorcontrol@ct.gov](mailto:dcp.liquorcontrol@ct.gov).
