From the Office of M. Caitlin S. Anderson
Liquor Control Division Director

Re: Delivery Extension Approved for November 2021 Orders

The Department received a written request filed by the Wine and Spirits Wholesalers of Connecticut, Inc. requesting permission to deliver alcohol beverage products ordered in November 2021 through Friday, December 3, 2021.

The Department reviewed this request, which highlights the impact of the Thanksgiving holiday and ongoing COVID-related shipping issues on fulfilling the anticipated influx of holiday-related orders. Following review, the Department has approved this request and extends it to all Connecticut wholesalers.

Please note that this approval pertains to extension of delivery only and not to the placing of orders. All orders must still be placed by November 30, 2021.

If you have any questions regarding this extension or any liquor-related matter, please call 860-713-6210 and speak with a liquor control agent, or email us at dcp.liquorcontrol@ct.gov.
