A-Correspondence received

A-1 Email from Ronald Melucci dated 2/2/2021: Re: Question regarding PE review and approval of shop drawings. If a PE stamps a design and the shop drawings are stamped by a licensed automatic fire sprinkler system layout technician, does the PE still need to review and approve shop drawings, oversee installation and certify upon completion?

The Board held a brief discussion and reiterated their position that the professional engineer must review the shop drawings and certify the completed installation.

Motion made by (1) seconded by (5). Motion carried.

Deljoui, Porang- Reconsideration: Application was reviewed by the Board on 8/20/2020 and application was denied based on the FE exam being waived. Applicant was advised that if he passed the FE exam, he would meet the Connecticut requirements and would be issued a license. Mr. Deljoui passed the FE exam on 1/30/2021 and meets the requirements for Connecticut licensure.

Hollberbach Jr., George H -Deny- Applicant holds an undergraduate degree in environmental health and a MS degree in environmental. The degrees do not equate to a basic degree in engineering.

Motion made by (1) seconded by (2) to deny application based on lack of a 4-year equivalent degree in engineering. Motion carried.
