#### Advisory Committee

- Review the ARPA Initiative
- Review options for the transformational initiative
- Oversee the communication sent out by the working committees.
- Assisting the department in promoting the array of residential and day options
- Provide input on the financial incentives for providers to promote movement out of both group homes and community residential homes to these alternative residential settings.
- Work with the Communication Consultant in the development and execution of communication on the various alternative residential supports that are available.
- Provide discussion and direction to the department on future options of group home and day placements.
- Provide assistance on individual's choice and the provision of a safety net for the individual and/or other options available to the individual and the family.
