4. Priorities – Final Discussion
5. Priorities – Next Steps

IDPAC Priorities
Discussed 7/19/18

1. **Employment:** support of small business franchising, through education and consideration of the establishment of a revolving loan fund for startup costs.
2. **Blended Services:** establishment of a combination residential/day services account to pilot blended services for a small group of individuals.
3. **Assistive Technology:** funding of provider staff training to become Assistive Technology Evaluators.
4. **Provider Readiness:** provision of provider readiness analysis and education in the area of Medicaid direct billing.
