Memo

TO: DDS Qualified Providers

FROM: Tammy Venenga, Director of Specialized Service Development; David David, Operations Center Director

CC: Jordan Scheff, Commissioner, Peter Mason, Deputy Commissioner, Katie Rock-Burns, Chief of Staff, Resource Administrators

DATE: August 4, 2020

SUBJECT: **Waivered Services**

As Employment and Day programs continue to reopen, the intent of this memo is to remind providers that two waived services cannot take place at the same time. For example: In Home Supports cannot be billed for the same time period that an individual is being provided supports in Day Program services.

If an individual needs support during the day and the individual cannot yet return to the day program, alternative support options should be explored. If no other options are available, an individual can utilize the portability of day funds to best meet their needs. In all cases, the team should be meeting to discuss the needs of the individual and how to best meet those needs.

As additional funding is limited, the agreed upon support options in the individual's plan should be adjusted within the person's current annual allocation.

Thank you.
