

RewardingWork
Connecting to Care

Have You Seen Our New Website?

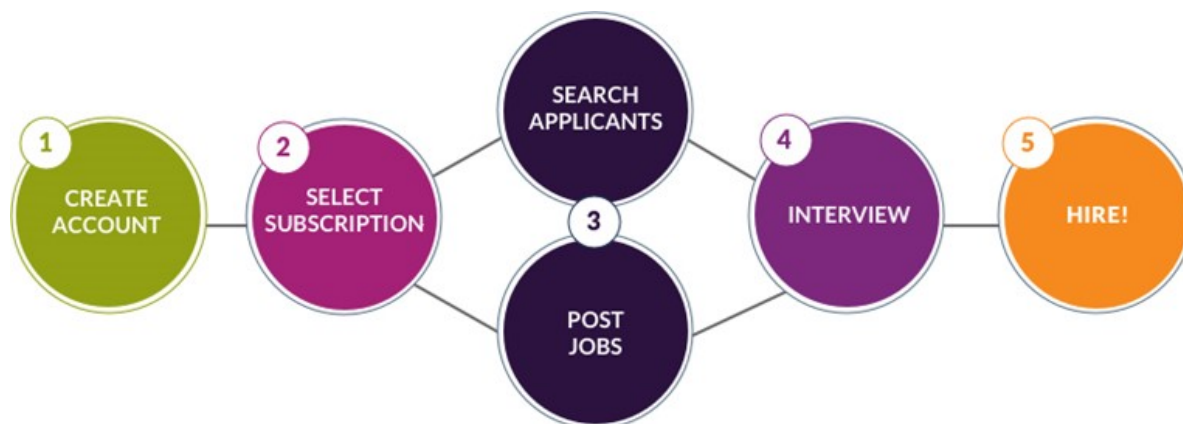

Individuals and families have been using RewardingWork.org since 2004 to find respite, in-home and community support workers from our searchable database and job board. Now it's even better!

How it Works for Employers

1. Mobile friendly, designed for mobile, tablet and desktop
2. Fully accessible and easy to navigate
3. Includes an employer "dashboard" to organize account information
4. Features an improved job board; employers can edit and save their job postings

Subscriptions are FREE with CT DDS Eligibility

Individuals and families who need to hire – and DDS staffers assisting with the hiring process – may use Rewarding Work free of charge. Enter your CT DDS access code when registering. Don't know your code? Contact us!
