

DDS List of Bills Being Tracked – April 27, 2012

This legislative update is divided into three sections:

- [Bills Proposed by DDS](#)
- [Senate Raised and Committee Bills Being Followed by DDS](#)
- [House Raised and Committee Bills Being Followed by DDS](#)

This update is not a comprehensive list of bills before the Connecticut General Assembly. DDS is tracking and assessing the bills listed below for their potential impact on DDS consumers, families and guardians, DDS employees and DDS providers.

Note: As the legislative session moves into its final weeks, the bills being tracked often are acted upon faster than a weekly update is able to be put together. **If you want to get the very latest information on a bill, please use the link imbedded in the bill number to bring you to the legislative bill page where the latest actions are listed in the bill history.**

Note: Bills that die when referred to committees will be noted and then removed in the next legislative update. Although these bills have died, the bill's concepts can be amended to other bills that are still waiting for action.

Proposed bills that have not been acted upon either by being drafted as Committee bills or by being reserved for subject matter public hearing are considered to be dead. These proposed bills that have died have been removed from the DDS bill tracking list. Some of the concepts in these proposed bills have been incorporated into other bills and where this has occurred it has been noted on this legislative update.

As the legislative session goes forward, bills will be referred from legislative committees to the House or Senate. The House or Senate then may refer the bills to other committees or chose to vote on them. In these updates, the last action taken on a bill will be in **bold**.

For a bill to become a law both the House and the Senate must vote favorably on it by May 9, 2012 at midnight and the Governor must sign the bill into law.

Key to Legislative Terminology:

Vote to Draft means a Proposed Bill will be drafted as a Committee Bill.

Reserved for Subject Matter Public Hearing means a bill will have a Public Hearing but the date of the Public Hearing is still to be determined.

Change of Reference means that the original committee is moving the bill to another committee without a Joint Favorable action.

JF means the committee reported the bill favorably to the House or Senate.

JF Change of Reference means the committee reported the bill favorably to another committee.

JFS means the committee reported the bill favorably to the House or Senate but with substitute language.

JFS Change of Reference means the committee reported the bill favorably to another committee but with substitute language.

Foot of the Calendar means a bill in the Senate has been moved off the active Senate Calendar. The reasons that a bill is moved to the Foot of the Calendar are several including that a budget has not been finalized and the bill has a fiscal impact; the bill has not been written in its final form; or the bill is not going to be acted upon during the session.

A File Number (**File No.**) is a unique number given to a bill once it has reached the House or Senate Floor. A file copy of a bill with the file number has a plain-language description of what the bill's provisions do, written by the Office of Legislative Research and a fiscal note that explains what a bill would cost or save to implement, written by the Office of Fiscal Analysis.

A House or Senate Calendar Number (**House Cal. No.** or **Senate Cal. No.**) is also a unique number that is given to a bill once it reaches the House or Senate Floor. This number is used to hold the bill's place on either the House or Senate Calendar. If the bill is a House bill (H.B. 5000 or higher) or a Senate bill (S.B.1 to S.B. 4999) it first gets a Calendar Number from the chamber the bill originated in. Once a House bill is passed in the House, it goes on to the Senate where it receives a Senate Calendar Number. Likewise once a Senate bill (with a Senate Calendar Number) passes the Senate, it goes to the House and receives a House Calendar Number.
