

## DDS Legislative Update – April 24, 2018

This legislative update is divided into four sections:

- [Bills Proposed by DDS](#)
- [Senate Proposed, Raised and Committee Bills Being Followed by DDS](#)
- [House Proposed, Raised and Committee Bills Being Followed by DDS](#)
- [Midterm Budget Adjustments Fiscal Year 2019](#)

**Note:** All bills that did not get voted out of their originating committees have been removed from this update. While these bills are dead, the provisions of these bills may become amendments to bills that are moving forward. All previous DDS Legislative Updates may be found at [DDS Legislative Updates](#) on the DDS Legislative Affairs webpage.

All DDS Public Hearing testimony before legislative committees of the General Assembly is posted to the DDS Legislative Affairs webpage and may be accessed at: [2018 DDS Testimony for the Connecticut General Assembly](#). All Public Hearing testimony on a particular bill may be accessed by going to that bill's webpage and scrolling down and then choosing "Public Hearing Testimony>". This will bring you to the links for all written testimony that was submitted to the committee on that bill.

**Note:** All proposed bills that were not voted on in committee have been removed from this list of bills. All of these proposed bills have died.

**Note:** This update is not a comprehensive list of bills before the Connecticut General Assembly. DDS is tracking and assessing the bills listed below for their potential impact on DDS consumers, families and guardians, DDS employees and DDS providers.

**This legislative update shows some of the bills that are being tracked by DDS this session. If a Public Hearing on a bill has been scheduled, the date of the public hearing and in most instances a link to the public hearing agenda will be after the bill's description.**

As the legislative session goes forward, bills will be referred from legislative committees to the House or Senate. The House or Senate then may refer the bills to other committees or chose to vote on them. In these updates, the last action taken on a bill will be in **bold**. For a bill to become law, both the House and the Senate must vote favorably on it by May 9, 2018 at midnight, and the Governor must sign the bill into law.

### Key to Legislative Terminology:

**Vote to Draft** means a Proposed Bill will be drafted as a Committee Bill.

**Reserved for Subject Matter Public Hearing** means a bill will have a Public Hearing but the date of the Public Hearing is still to be determined.

**Change of Reference** means that the original committee is moving the bill to another committee without a Joint Favorable action.

**JF** means the committee reported the bill favorably to the House or Senate.

**JF Change of Reference** means the committee reported the bill favorably to another committee.

**JFS** means the committee reported the bill favorably to the House or Senate but with substitute language.

**JFS Change of Reference** means the committee reported the bill favorably to another committee but with substitute language.

A File Number (**File No.**) is a unique number given to a bill once it has reached the House or Senate Floor. A file copy of a bill with the file number has a plain-language description of what the bill's provisions do, written by the Office of Legislative Research and a fiscal note, which explains what a bill would cost or save if implemented, written by the Office of Fiscal Analysis.

A House or Senate Calendar Number (**House Cal. No. or Senate Cal. No.**) is also a unique number that is given to a bill once it reaches the House or Senate Floor. This number is used to hold the bill's place on either the House or Senate Calendar. If the bill is a House bill (H.B. 5000 or higher) or a Senate bill (S.B.1 to 4999) it first gets a Calendar Number from the chamber the bill originated in. Once a House bill is passed in the House, it goes on to the Senate where it receives a Senate Calendar Number. Likewise once a Senate bill (with a Senate Calendar Number) passes the Senate, it goes to the House and receives a House Calendar Number.

- **Midterm Budget Adjustments Fiscal Year 2019**

On Friday, April 20, 2018, the Appropriations Committee met to discuss and pass midterm budget adjustments for fiscal year 2019. The House Democrats and Republicans on the committee presented two different versions of midterm budget adjustments.

The House Democrats moved to split the Joint Committee on Appropriations between the Senate and House members. After debate, the motion passed, the committee was split between the Senate and House and the House Democrats proceeded to offer their [Committee Budget FY 19 Revisions](#) to [H.B. No. 5588 AN ACT CONCERNING AN ANALYSIS OF THE REVENUE STREAMS OF THE STATE](#). The bill as amended was passed out of the committee with a House Favorable Report on a vote of 21 Yea, 19 Nay and will move on to the House of Representative for a vote. The fate of the bill, if passed by the House, is uncertain because it was passed out of the Appropriations Committee only with House members voting and did not have a vote by Senate members of the committee.

The House and Senate Republicans offered their [Republican Budget FY 19 Revisions](#) to [S.B. No. 533 AN ACT CONCERNING A STUDY OF STATE REVENUE POLICIES](#). The bill was voted on by both House and Senate members of the committee but failed to pass out of the Appropriations Committee on a vote of 25 Yea, 27 Nay.
