Welcome to the Connecticut Medical Assistance Program Provider Enrollment/Re-enrollment Wizard. This Wizard is available to providers newly enrolling in the program and those providers who are notified that it is time for re-enrollment into the program. This Wizard offers a simplified, expedited method of enrollment/re-enrollment.

Please note the following:

- Providers must enroll in the appropriate taxonomy/provider type/specialty to ensure accurate billing and reimbursement rates. A full list of taxonomies/provider types/provider specialties can be found at www.ctdssmap.com by clicking on Information, then Publications.
- The Wizard will not allow you to submit an incomplete application. If required fields are omitted, you will be prompted during the application process to correct those fields.
- If you have a popup blocker, you must add "www.ctdssmap.com" as Allowed Web Site.
- Once you have started an application, you cannot save an application in process and return to complete it later. Rather, you will be required to start a new application.
- Applicants may be presented with a Follow On Document which lists additional documentation that must be mailed to the Hewlett Packard Enterprise Provider Enrollment Unit in order for your enrollment/re-enrollment application to be considered complete. Failure to mail to Hewlett Packard Enterprise any of the required documents will result in a delay in processing your application.
- Once an application has been submitted, you cannot return to it to modify the application. Any changes to the application after it has been submitted must be mailed to:

Hewlett Packard Enterprise Provider Enrollment Unit P.O. Box 5007 Hartford, CT 06104 Please click next

Exceptions to Web Enrollments:
