### Provider Description

#### Information provided by the provider describing their agency:

The Windsor Independent Living Association (WILA) is a private, not for profit corporation, established in 1976 for the purpose of supporting adults with intellectual/developmental disabilities in north central Connecticut.

Born on a post war wave of optimism, and embolden by the passage of the federal education for all handicapped act; a small group of parents, educators, and civic leaders, envisioned a community based, non-governmental solution to life after high school.

Today, WILA provides community-based group homes, supervised apartments, supported employment and non-vocational daytime programming, for people of all abilities, in a variety of settings. All services are person-centered and carefully crafted to meet the individual needs, values and preferences of each participant while promoting independence.

Over the last 4 plus decades, WILA has earned a reputation for providing the highest quality services.
