### Provider Description

**Information provided by the provider describing their agency:**

DACS Foundation exists to provide excellent services for individuals with disabilities. The senior staff possess over 90 years of combined work experience in the industry. DACS Staff was present at the initial meeting of the Americans with Disabilities Act when it launched in Connecticut. The core staff of the organization have hands-on experience serving, developing, and supporting people in the disability community. DACS began as a Home Care agency supporting the independence of individuals needing support to maintain independence in private residences, community location and social settings. DACS has a core belief that everyone deserves the option of choice, and a life that has a quality that they approve of and appreciate. Our goal is to improve the lives of those we serve as we maintain their dignity and individuality. DAS provides services to assist individuals with increasing independence, communication skills, obtaining employment, growing their social network and skills, exploring new opportunities, setting goals that are specific, measurable, achievable, and realistic. DACS offers a variety of services that may be customized to meet each individual’s level of need. Our service delivery is informed by assessments conducted to obtain valuable information to ensure that the assigned staff has the skills and personality needed to support those they are assigned to. DACS provides positive adult role models for those we serve, while fostering an atmosphere that encourages independence and personal growth. Our services are tailored to the needs of the individuals we serve, our focus is on improving the quality of life. Our services include but are not limited to prompting and performing personal care and teaching hygiene skills, as necessary bathing, dressing preparing meal and teaching food prep. Accompanying to community outings and assisting with independent living management. Establishing routines and maintaining consistency. Reducing aggressive and other behaviors using the least invasive methods and best practices. Our staff has a history in the employment and training industry; therefore, we can match people to their desired job. As well as providing follow-up support to ensure that people are successful in their placement.
