Hello Joe, and Commissioner Scheff,

I hope you have had a splendid day so far; I would just like to inform you that I have read the 5-year plan, and I think it is excellent, the only question I have is what about the individuals on the DDS waiting list? Will there be any progress over the next five years, and how will we measure that?

Again,

I hope you are having a splendid day and thank you for all that you do.
