### Provider Description

#### Information provided by the provider describing their agency:

The Arc of Southington is an advocacy organization and a service provider for people with cognitive, intellectual and developmental disabilities and their families.

The organization began with families and is still committed to families, as well as individuals with developmental disabilities. The Board of Directors is made up of family members, professionals, advocates, self-advocates, business people, as well as interested citizens.

What began as a support group and a volunteer organization has evolved into a human service agency that provides advocacy, education, information and referral, and an array of quality and individualized services and supports to people of all ages with developmental disabilities, and their families.

#### Our Mission is:

The Arc of Southington is a leader in the community: educating, empowering, supporting and advocating for people with disabilities.

#### Our vision is:

People with cognitive, intellectual and developmental disabilities:

- Receive inclusive education
- Receive appropriate, quality supports
- Are included in all aspects of community life
- Are empowered to live the lives they choose

#### The Arc of Southington:

- Builds bridges in the community
- Is committed to excellence and integrity

The agency is a provider of Community Living Arrangements, Individualized Home Support Services and Day Supports on an individualized basis only. Currently we support partially retired seniors, individuals that work or volunteer in the community, as well as individuals who choose other day time activities.

All supports are individually developed in accordance with personal preferences, needs and goals.

The agency operates a Recreation program funded through the town of Southington.

Other funding to support our programs such as our Respite Grant Program offered in the spring is received from the United Way of Southington, Southington Chamber of Commerce, Knights of Columbus, Southington Disabilities Commission, Calvanese Foundation, fundraising, memberships and private donations.
