## Connecticut Department of Public Health Drinking Water Section Water Quality Monitoring and Compliance Schedule

PWS ID	PWS Name	Classification	Population	Owner Type	Primary Source		
<b>CT0560074</b>	<b>496 SALMON BROOK STREET</b>	NC	25	P	GW		
Local Address (where applicable)		Service Connections	Residential	Commercial	Industrial	Combined	Agricultural
				1			

Towns Served: GRANBY

**Please note the following:**

1. The residual disinfectant concentration must be measured at the same location and time as each total coliform sample.
2. If a Collection Period is specified, all water quality samples must be collected during the specified period.
3. Depending on results, additional monitoring may be required (i.e. repeat or confirmation samples). This schedule is subject to change, and any related correspondence sent by the DWS on or after the generation date of this schedule will have precedence over what is contained in this schedule.

***If you have any questions, please contact the Drinking Water Section at (860) 509-7333.***

**Please note the following:**

1. The residual disinfectant concentration must be measured at the same location and time as each total coliform sample.
2. If a Collection Period is specified, all water quality samples must be collected during the specified period.
3. Depending on results, additional monitoring may be required (i.e. repeat or confirmation samples). This schedule is subject to change, and any related correspondence sent by the DWS on or after the generation date of this schedule will have precedence over what is contained in this schedule.

*If you have any questions, please contact the Drinking Water Section at (860) 509-7333.*
