**DOCKET NO. 1508-C-96-L**

**Executive Car Service, Inc.  
190 Wallace Street  
New Haven, CT 06511**

The records of the department indicate you are the holder of Permit No. 2715. The records of the department further indicate that you are in violation of the following Connecticut General Statutes (CGS) and/or Regulations of Connecticut State Agencies (RCSA) CGS Section 13b-102, 13b-103, 13b-106 as amended, by violating the terms of the permit which requires the permit holder to comply with all pertinent motor vehicle laws and other statutes, and/or rules, regulations and orders of the Department.

More specifically:

- 1) On August 6, 2015, during a route vehicle records check, it came to the Department of Transportation's attention that Executive Car Service, Inc. has authority to operate nine (9) motor vehicles with a passenger seating capacity of ten (10) adults or less, in general livery service from a headquarters in New Haven. Executive Car Service, Inc. is further permitted and authorized to operate motor vehicles as a common carrier of passengers, in charter and special operations, in interstate commerce under such authorization as issued or amended by the Federal Motor Carrier Safety Administration in the issuance of Certificate Number MC-380726-C. However, our records show only one (1) vehicle currently registered to this company. This is a direct violation of Connecticut General Statutes 13b-103 or 13b-105, which provides that the holder of such permit may apply for registration of any motor vehicle of which such holder is the owner or lessee, to be used as specified in such permit.
- 2) As a result of this finding, I mailed a certified letter to Brian McArdle, Executive Car Service, Inc. giving him two weeks to either register his vehicles or voluntarily reduce his authority to one (1) vehicle. The certified letter came back "return to sender" indicating there is no one at this headquarters location. I also attempted to call his 2 phone numbers listed in the file but was unable to leave a message and the phone number did not belong to this company. I found 3 other addresses linked to this company name, none of which are located in their headquarters town of New Haven. This is a direct violation of the RCSA Section 16-325-1, which provides that permit holder must have a headquarters where the permit holder or his employee is in attendance.
- 3) Department records show that State Limousine Service, Inc. does not have the required insurance. This is a direct violation of Connecticut General Statute Sections 14-29 which requires operators of motor vehicles in livery service to furnish insurance.

Therefore, pursuant to Connecticut General Statutes Section 13b-103, as amended, **you are hereby directed to appear at the Newington office of the Department of Transportation, 2800 Berlin Turnpike, Newington, Connecticut,**

**Conference Room A** on Tuesday, September 15, 2015 at 10:30 a.m. for a citation hearing to show cause why this permit should not be revoked or suspended or a civil penalty imposed for failure to comply with the applicable provisions of the Connecticut General Statutes and/or the Regulations of Connecticut State Agencies as stated above.

Dated at Newington, Connecticut on this 17th day of August 2015.
