Subject: Cribani Bridge

Hi. I am a Westport resident and I would like to add my voice to ask that you please preserve the Cribani bridge in Westport, Ct. Even as a young adult coming to shop from Darien, the bridge has always been a welcoming beacon for us coming into Westport. It is so charming and reflects so much of the history of the town. So many of my friends have said that they decided to buy their homes in Westport once they drove over the bridge through the saugatuck section of town. I do believe that it shows that Westport residents are keen on preserving the past and respecting all that has come before us. We urge you to help us to keep this significant historical site for us and for the country as it is the last remaining.

Respectfully,
Valerie and Greg DiPrato
