**Subject:** Cribari Bridge

Hello - I have been a Westport resident for 9 years and I have 3 school aged children.  
I urge you to please keep the cribari bridge as is. Of course please make any repairs needed to keep it safe.  
Please keep its size and charm. As it is it make Westport so special. It would be a shame to have it filled with trucks and lots of traffic!  
Thank you, Amy Saperstein
