

**East Hartford and Willington
Design-Build Bridge Bundle along I-84 and Route 2
Biweekly Look-Ahead
Period of September 13, 2019 to September 27, 2019**

Throughout the weeks covered by this look-ahead, The Middlesex Corporation, CTDOT's contractor for the Design-Build Bridge Bundle Project, will continue construction operations.

East Hartford

During the week of Monday, September 16, the forming and pouring of parapets and coping at bridge abutments, backfilling of bridge approaches and installation of deck membrane will take place during daytime work hours.

The installation of guardrail will take place during night work hours on Monday, September 16.

During the week of Monday, September 23, Bridge 02366 will be paved.

Lane closures are necessary to create a safe work zone; drivers are asked to be aware of possible lane closures for their own safety and that of the project team. Please also note that all work is contingent upon the weather.
