

CONSULTING ENGINEERS
GENERAL MEMORANDUM 11-01

STATE OF CONNECTICUT
DEPARTMENT OF TRANSPORTATION
BUREAU OF ENGINEERING AND
CONSTRUCTION

Highway Design Manual Revision

January 13, 2011

TO: CONSULTING ENGINEERS

The following sections of the *Highway Design Manual (HDM)* have been updated:

- Chapter 1, Section 1-1.01 was updated to reference the Department's current public involvement procedures document. The outdated document in the chapter's appendix was removed.
- Chapter 14, Sections 14-1.0, 14-1.01, 14-1.02, 14-4.0 and Appendix were updated to reflect the Department's current policies regarding the safety, accessibility and impacts of work zones.
- Chapter 15, Section 15-1.05.02 was updated to address ADA accessibility requirements for sidewalks along the public right-of-way.

No hard copies of the material will be distributed. The on-line version of the HDM has been updated to reflect these latest changes.

Very truly yours,

Timothy M. Wilson, P.E.
Manager of Consultant Design
Bureau of Engineering and Construction
