WARNING NOTICE

Dear Sir or Madam,

I Sincerely, Honestly & Very Humbly apologize to you, the Department and all the workers there as well. I am very careful & cautious usually but looking at the pictures of my vehicle it's certain that I have made that mistake. It's a gross negligence on part and I am not only sorry, I rather ashamed of myself. Please forgive me for it. It will never be repeated.

With Regards.

The Centralized Infractions Bureau must receive your response no later than 07/03/2017

Additional information for my not guilty plea:

Dear Sir or Madam,

This accident took place on I-95 in New London area across from Lurie Road. Our Lane was blocked because of construction and we merged into the other lane. From that point onward it was bumper to bumper stop-n-go. So in this kind of driving conditions it was natural that cars were at short distance from each other. Six ahead of me was being driven by a young lady with a dog on the back seat. I don't know what happened after the traffic took off that she decided to stop abruptly and I just went into the back of that vehicle. I can't blame her either. I don't what caused her to stop again, but that caused this accident. It is

Additional information for my not guilty plea continued:

not that I was following too close which caused the accident. I have then given this ticket which I think is very unjust & unfair. Nothing against the officer either because he was doing his job. These are factual events stated in there which caused this. Would like to request to you to be kind & considerate. It took me about a month to recover from pain & injuries. If you have any further questions please feel free to call me at my cell #

Sincerely,
