The applicant is currently permitted and authorized to operate eight (8) motor vehicles, each having a passenger seating capacity of ten (10) passengers or less, in general livery service to all points in Connecticut from a headquarters in Farmington and two (2) motor vehicles, each having a passenger seating capacity of ten (10) passengers or less, in general livery service to all points in Connecticut from a headquarters in Simsbury. The applicant seeks to transfer one (1) vehicle from Farmington and one (1) vehicle from Simsbury in order to operate two (2) motor vehicles at an additional headquarters in Bloomfield.

## II. DEPARTMENT ANALYSIS

A Legal Notice was mailed to registered livery companies in the headquarters towns and towns contiguous to its headquarters town and was not opposed within the thirty (30) days as allowed by statute. The Department’s staff has analyzed the evidence presented in this instant application and find that it should be granted without hearing.

## III. FINDINGS OF FACT

1. The applicant has submitted the proper application before this Department.
2. The Department finds that the applicant’s records indicate all its vehicles have been in use and are available for transfer.
3. No opposition was filed by existing operators in the headquarters town.
