

Next Steps

What's next if you've Purchased a Taxicab Authority?

Important Facts

1. **If as part of a purchase of a taxicab authority, you purchased one or more of the previous owner's vehicles, you will not be able to register those vehicles until the original owner has returned the plates to the Department of Motor Vehicles (DMV) and has cancelled the registrations with the DMV.**
2. See "**Next Steps**" below if you are buying one or more vehicles from the seller and the seller has returned the plates to the DMV and has cancelled the registrations.
3. See "**Next Steps**" below if you are otherwise adding one or more vehicles to your fleet.
4. The DMV will not register vehicle(s) without prior approval of your registration documents by the DOT.

Next Steps

Things to bring to the DOT when applying for approval to register your vehicle with DMV

1. A copy of the Decision issued by the DOT.
2. Completed DMV Registration Applications (Form H-13), one for each vehicle.
 - a. This form can be found on the DMV website.
 - b. In order to register your vehicle, DMV requires the owner's name be the same on the H-13, Title or Bill of Sale and Insurance documentation.**
3. Title or the Bill of Sale for each vehicle.
4. Documentation that insurance coverage meets the statutory minimum, such as the declaration page of your insurance policy, or an ACORD certificate.
5. Photo ID.
6. If you are not an owner, partner, officer or member of the company, a Limited Power of Attorney giving you authorization to complete transactions in the name of the company.

Vehicle Inspection

Vehicle inspections are completed by the DMV. Please contact DMV with any questions about Vehicle Inspection.
