

Thank you for your participation!

The purpose of the Connecticut Statewide Transportation Study is to understand the travel patterns and travel needs of residents like you, regardless of how often you travel or what mode you use to get around. Your participation is very important and your responses *will* have a significant impact on future transportation planning decisions throughout the region.

This study is conducted by © RSG 2016. The study is sponsored by the Connecticut Department of Transportation in partnership with the Connecticut Transportation Institute at UCONN.

Your privacy will be protected. Please click [here](#) to view our privacy policy. If you have questions, please email us at help@cttransportationstudy.org or call toll-free: 1-844-872-2562.

8%

A horizontal progress bar with a grey background and a small orange segment on the left containing the text "8%".

Here are some tips to help you complete the Connecticut Statewide Transportation Study.

How do I go from question to question?

Want to go forward? Use the "Next" button at the bottom of the screen to advance.

Want to back up? If you need to back up, click the "Previous" button. Please do not use your web browser's "Back" button.

What if I need to stop taking the survey before I finish?

No problem. You can always return later and pick up from where you left off. All of your answers will automatically be saved for you.

Can I complete this survey on a mobile device?

We recommend taking the survey on a tablet or laptop/desktop, but the survey will also work on smartphones.

Now, let's get started!

Next steps and thank you again for your participation!

We will remind you: We will remind you to tell us about the trips each person makes on **Saturday, May 28, 2016**.

Keep track of your trips: Please remember to ask EACH adult in your household to keep track of all the trips they make on **Saturday, May 28, 2016**. In addition, adults will need to log trips for children. Please use the [Travel Log](#) to keep track of your trip details.

Return to the website to report your trips: Starting on **Sunday, May 29, 2016**, each adult in your household should return to this website to record the trips made on **Saturday, May 28, 2016**. Your household's survey will be available for one week after your travel date.

OR call in to report your trips: You may also call toll-free 1-844-872-2562 to complete the survey over the telephone.

And you're finished! Once each person in your household has answered their survey, your household will receive a \$10 Visa gift card as thanks for your participation.

Members	Status
adult	Let's get started!
kid	Let's get started!

To better understand how households are completing the study, we would like to know if someone other than adult is filling out this portion of the survey.

Are you adult or are you filling out this survey on adult's behalf?

- I am adult and I am answering this survey
- I am answering this survey for adult and adult IS here with me to provide answers
- I am answering this survey for adult and adult is NOT here with me to provide answers

31%

Your day began at HOME and ended at HOME.

Did you go anywhere on Saturday, May 28, 2016, even if it was just a short trip such as a walk or bike ride?

- Yes
- No

What is a trip?

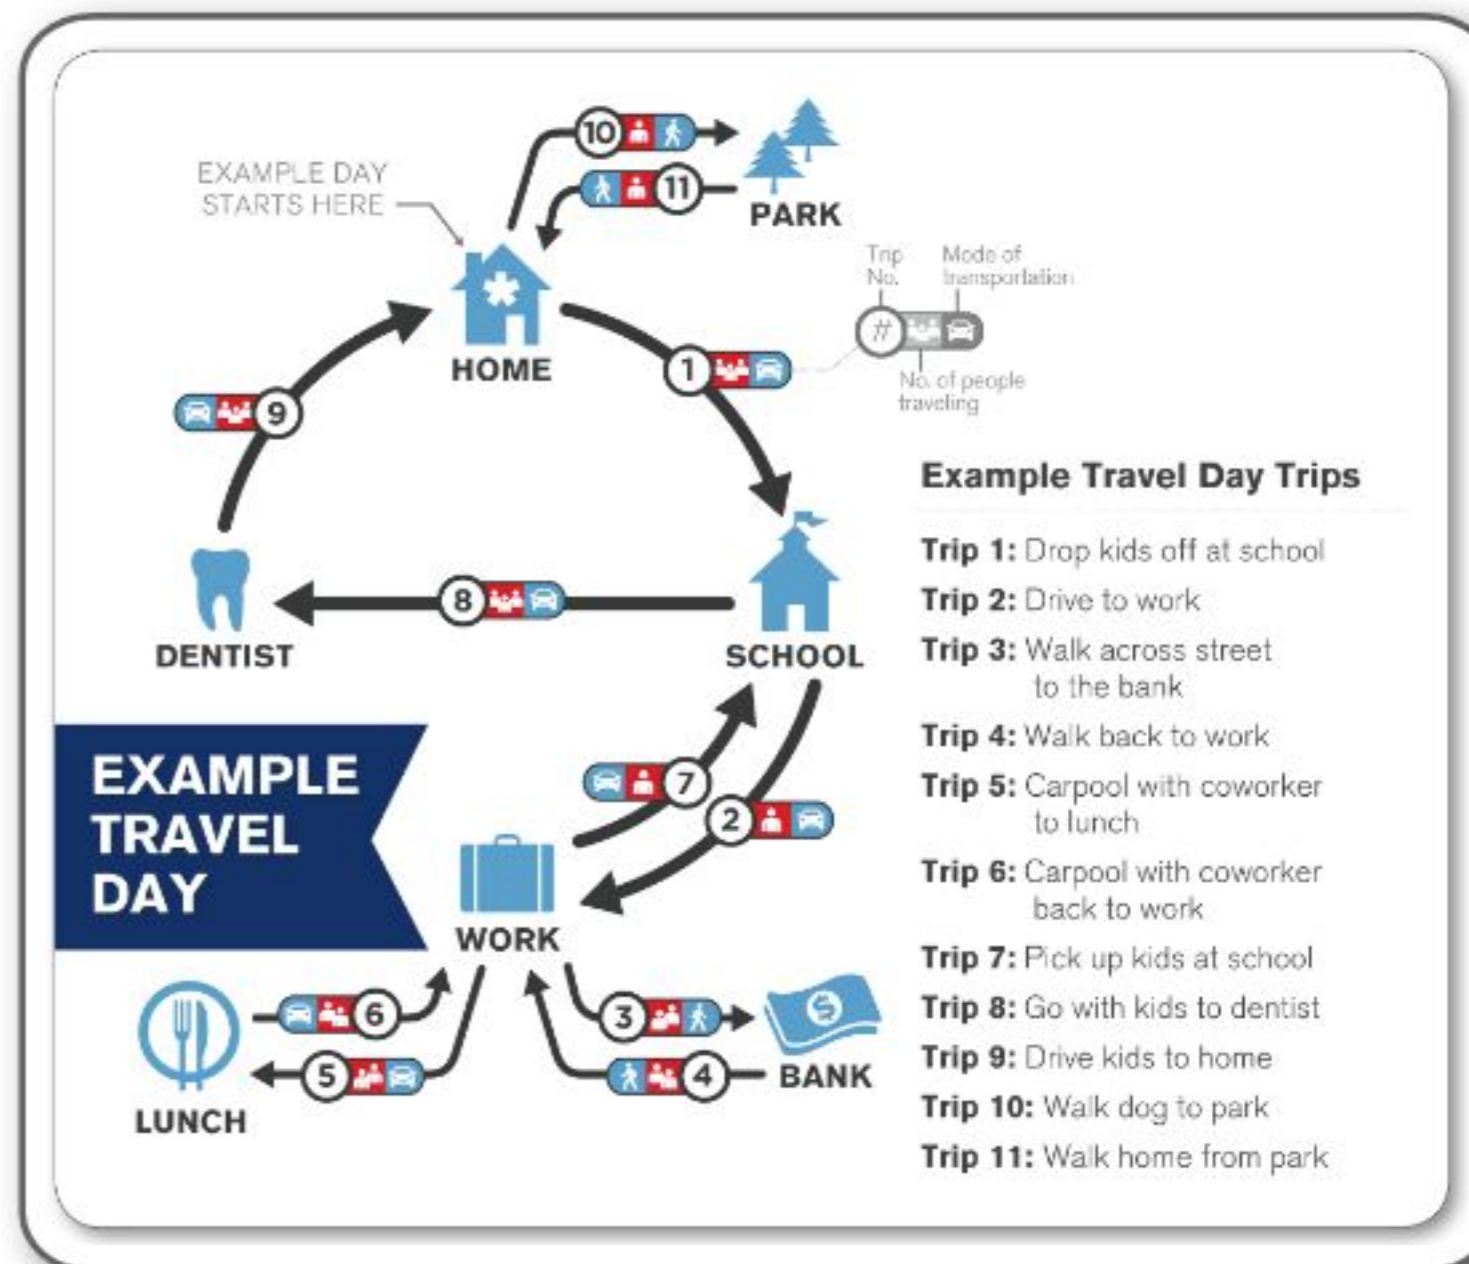

A trip is anytime you travel from one location and stop at a new location. Even if you briefly stop for gas, at an ATM, or to drop a child off at school, travel to each stop counts as 1 trip.

What are some example trips?

- Drive to work
- Drop your child off at school
- Walk the dog
- Walk your child to a neighbor's
- Bike to the grocery store
- Walk to the bus stop and then ride the bus to the bank
- Carpool to a meeting in New York

What if I go out, but return to the same place without stopping (e.g. a jog, bike ride, or leisurely drive)?

If you go out and return to the same place without stopping, this counts as **2 trips**: from the starting location to the furthest point you reach, and the trip back to your starting point. Please report the furthest point you reach as your "destination".

What is the reason you did not make any trips on Saturday, May 28, 2016?

Please select all that apply.

- Was not scheduled to work or took a vacation/personal day
- Worked from home for pay (e.g. telecommuted or home-based job)
- Worked around the home (not for pay)
- The kids were on school vacation/break
- Did not have available transportation (no car, no way to get to bus, etc.)
- Was sick or caring another person (child or family member) at home
- Was waiting for a delivery or visitor (e.g. cable installation)
- Other

Listed to the right are all the places person1 reported going on Saturday, May 21, 2016.

Are there any places to add for person1's travel on Saturday, May 21, 2016 that aren't already listed?

Please select all that apply.

- Yes, went out but **didn't stop anywhere** (e.g. for jog/bike ride, to walk dog, go for Sunday drive, etc.)
- Yes, made 1+ short trips in middle of other activities (e.g. quick trip for lunch)
- Yes, stopped briefly on way to somewhere else (e.g. for gas, at ATM, at drive-thru)
- Yes, dropped someone off on way to somewhere else (e.g. spouse at a park & ride lot, child at friend's house)
- Yes, forgot to include another type of trip
- No, listed all of person1's trips on Saturday, May 21, 2016

person1's Travel Day
Trip #1: HOME to PLACE 4184
Trip #2: PLACE 4184 to PLACE 3704
Trip #3: PLACE 3704 to SPECIFY
Trip #4: SPECIFY to PLACE 4184
Trip #5: PLACE 4184 to PLACE 9300
Trip #6: PLACE 9300 to PLACE 4184
Trip #7: PLACE 4184 to SPECIFY

It is important to report all trips, including short stops. This will help better understand transportation needs in the region. Some trips (e.g. walks, bike rides, or short stops on way somewhere else) are easy to forget!
