

New Britain - Hartford

Busway Project

Come out and assist the Station Design Team integrate the Busway Stations into your community.

The Newington Stations meeting is scheduled for:

February 6 | 6:00 to 8:00 pm

Joseph P. Doyle Community Complex and Senior Center

120 Cedar Street, Newington

Come participate in a Busway Station Design Workshop

Connecticut Department of Transportation

Along with the **Capitol Region Council of Governments (CRCOG)**
& the **Central Regional Planning Agency (CCRPA)**

Invites you to join in the next major step of the **New Britain - Hartford Busway Project**
A 9.4-mile rapid transit bus service improving mobility in the I-84 corridor west of Hartford

The following stations will be discussed:

- **Cedar Street**
(Behind Stop & Shop off of Fenn St.)
- **Newington Junction**
(Corner of Willard Ave. and West Hill Rd.)

What to expect:

- Participate in a workshop style discussion (or charrette) with our team of experts in the field of transit station design.
- Provide feedback on how stations should function and look; and features they should contain.
- Identify additional concerns that the station design may address.

Four additional workshops are scheduled.
The meetings will include:

- **New Britain (February 20)**
Main Street, East Street and East Main Street Stations
Location - City Hall - 27 West Main St., Rm 504
- **Hartford North (February 21)**
