

Safety- In the Community		
Organization	Service Description	Contact/Website
AMKS Safety & Resource Kit	Autism Moms Know Safety is committed to those with an Autism Spectrum Disorder (ASD) who have wandering tendencies and may wander or elope from a safe environment. The AMKS Safety Kit is a free-of-charge toolkit given to autism families to educate, raise awareness and share simple tools for Autism safety that can help prevent wandering and/or assist others if your child is missing to help get them home safely.	https://www.autismmomsknowsafety.com/safety-kit
Autism Resources and Community (ARC)	To learn more about teaching stranger safety to children with ASD	http://blog.stageslearning.com/blog/teaching-autism-stranger-safety
Autism Society	The Autism Society began the Safe and Sound TM initiative in 2005 to provide much-needed resources on topics such as general safety, emergency preparedness and prevention, and risk management. Safe and Sound works to develop information and strategies to benefit individuals on the spectrum, their families and the professionals who work with them. Another significant aspect of Safe and Sound is to provide information and training to first responders — those who are first on the scene in an emergency situation.	http://www.autism-society.org/living-with-autism/how-the-autism-society-can-help/safe-and-sound/
Autism Speaks	Safety in the Community covers a variety of safety issues in the community ranging from getting around independently, asking for help, using a cell phone, dealing with money, interacting with law enforcement, and more	https://www.autismspeaks.org/safety-community
