¹The cumulative number of residents with confirmed COVID-19 obtained from data reported by individual nursing homes to the Connecticut Department of Public Health Facility Licensing & Investigations Section via a web-based COVID-19 daily reporting system.

²The cumulative number of deaths among nursing home residents is based upon data reported by the Office of the Chief Medical Examiner. For public health surveillance, COVID-19-associated deaths include persons who tested positive for COVID-19 around the time of death (laboratory-confirmed) and persons whose death certificate lists COVID-19 disease as a cause of death or a significant condition contributing to death (probable).
