

Connecticut Student Loan Reimbursement Program (SLRP)

Documents Check List

All requested documents, plus hardship documentation (if applicable), must be uploaded to be considered for eligibility.

1. Proof of an Outstanding Loan Balance

Applicants must provide a recent loan statement generated by the loan servicer, which must include the applicant's name, name of loan servicer and loan balance. Federal direct loans, federal direct PLUS loans, federal Perkins loans, CHESLA loan or other state sponsored student loan or private student loans are eligible.

2. Proof of 2025 Payment History

Applicants must provide a 2025 payment history generated by the loan servicer, which must include the applicant's name, name of loan servicer and amounts/dates the payments were made. Federal direct loans, federal direct PLUS loans, federal Perkins loans, CHESLA loan or other state sponsored student loan or private student loans are eligible.

3. Education Verification

Applicants will be required to upload a CT college diploma or professional license/certification from a non-degree granting program or Education Hardship Waiver with supporting documentation (see below). Applicants must have graduated from a CT public or private institution of higher education or an accredited post-secondary career training facility/school from a non-degree granting program. A copy of a diploma, license, or certification must be provided. (Applicants may request an Education Hardship Waiver if they were unable to finish their education due to a death, medical or financial hardship or were a Stone Academy Student – see below.)

4. Fifty (50) Hours of Volunteer Service/ Volunteer Confirmation Form

The Volunteer Confirmation Form will be generated by the [CT Scholars portal](#) after the applicant has submitted their application. Applicants will then print the form, have it signed by an official from the nonprofit and then notarized before uploading it. One Volunteer Confirmation Form per CT nonprofit organization must be used. (Applicants may request a volunteer hardship waiver if they were unable to provide volunteer work due to a medical condition, disability from January 1, 2024-present or were a Stone Academy Student - see below.)

Supervised and Notarized volunteer hours must have taken place after January 1, 2024, and can be fulfilled with:

- military service,
- a CT municipality: volunteer firefighter/EMS, etc.,
- a non-profit organization exempt from federal taxation with the Department of the Treasury; or required unpaid work as a student for certificate or degree program.

5. 2024 Federal Personal Income Tax Return

Applicants will be required to upload the first page of their 2024 Federal income tax return, showing their Adjusted Growth Income (AGI). This will provide proof of an eligible income (AGI) of \$125K for single applicants and \$175K for married applicants.

6. Vendor Form

Applicants will be provided with this form by the CT Scholar's software program once their application has been submitted. The vendor form is required for payment from the State of Connecticut.

7. IRS W9 Form

Applicants will be provided with this form by the CT Scholar's software program once their application has been submitted.

Stone Academy

Applicants enrolled in the practical nurse education program at Stone Academy from November 1, 2021, through February 28, 2023, and did not complete the program, did not participate in a teach out, or proctored a comprehensive predictor examination administered by an Institute of Higher Education identified by OHE may be eligible for SLRP. Also, if an applicant submits evidence that they filed a closed school loan discharge application later than 6 months prior to applying to SLRP, and the person's student loan was not discharged because of such application, they may be eligible for SLRP. Stone Academy applicants must provide all requested documents except for the Volunteer confirmation Form.

Education Hardship Waiver

Applicants may request an Education Hardship Waiver due to medical conditions, disability or were a Stone Academy student. Independent or dependent student applicants requesting an Education Hardship Waiver, while attending college or career school, must upload evidence that they left the school in good standing and one of the following documents to their application:

- Financial Hardship - unemployment documentation for parent(s)
- Medical Hardship - physician's documentation
- Death Hardship - death certificate
- Stone Academy Students – Copy of your dated school loan discharge application (see Stone Academy)

Volunteer Hardship Waiver

Applicants may request a Volunteer Hardship Waiver due to a medical condition, disability from January 1, 2024-present or were a Stone Academy student. Independent or dependent student applicants requesting a Volunteer Hardship Waiver must upload the following document to their application:

- Medical Condition/Disability – physician's documentation of medical condition/disability from January 1, 2024 – present.

***The Education Hardship Waiver and Volunteer Hardship Waiver is part of the application process. There are no separate forms.**
