The Honorable Ms. Norma Gyle
Deputy Commissioner
Connecticut Department of Health
Office of Health Care Access
410 Capitol Avenue
MS #13-HCA
Hartford, CT 06134

Dear Commissioner Gyle,

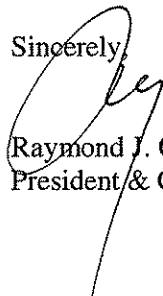

I am writing to inform you that CMHA, Inc. terminated all outpatient psychiatric services at its Outpatient Psychiatric Clinic located at 58 Main Street, Terryville, CT on July 31st, 2010 and is therefore surrendering its Certificate of Need for this location.

Recent changes in Connecticut's CON Statutes have released providers from having to request a CON for proposed service terminations. Given these recent changes, we did not anticipate that notification to OCHA of service termination was required.

Please direct any questions regarding this notice to Marie Mormile-Mehler, VP of Planning and Performance Improvement, at 860-826-1358 x 1630 or mmormile@cmhacc.org.

Thank you very much.

Sincerely,

Raymond J. Gorman
President & CEO
