Dear Ms. Martone:

Please accept this letter as a notification that Associated Specialists of Southeastern Connecticut, Inc., a wholly-owned subsidiary of Lawrence + Memorial Hospital, currently provides, among other services, outpatient behavioral medicine services (counseling services) and Obstetric (OB) services (such OB services were historically provided by the Lawrence & Memorial Hospital's OB-GYN Clinic) at locations on the Hospital's main campus in New London. There will be no change in the professionals delivering the service, patient base, or payor mix. However, as stated above, the services will be provided by L+M Physician Association, Inc. Outpatient behavioral medicine services will be provided at a number of L+M Physician locations in New London, Groton, Ledyard, East Lyme, Old Lyme, Stonington and OB services will be provided at L+M Physician's location at 470 Bank Street, New London, Connecticut.
