Dear Ms. Martone,

Please consider this formal notification that a non-hospital, non-provider based physician practice operated by the Yale Medical Group ("YMG") at 2080 Whitney Ave., Suite 100 in Hamden and will no longer operate as of April 2015 and consequently the echo cardiology services offered by Yale New Haven Hospital ("Y-NHH") at this site two days a month (for the convenience of the patients seen by these physicians) will no longer be offered. As the physician practice at this site will no longer be in operation, the echocardiogram equipment utilized at the Hamden site is no longer needed.

For patients who still want to receive echocardiography services from Y-NHH, echocardiography services are offered at a Y-NHH site within 2 miles of the Hamden site at 2 Devine Street in North Haven. The same services are also offered at 325 Boston Post Road in Orange.

If you should require any further information or have any questions, please contact me at 203-863-3895 or 203-688-2609 or by email at nancy.rosenthal@greenwichhospital.org

Regards,
