Re: Docket Number 12-31687-MDF: A Request to Modify Docket Number 11-31687-CON
Blue Sky Behavioral Health, LLC
Add Mental Health Day Treatment and Substance Abuse Day and Evening Treatment

Dear Mr. Palmer:

On February 2, 2012, the Office of Health Care Access ("OHCA") received a request from Blue Sky Behavioral Health, LLC ("Applicant") to modify the Certificate of Need ("CON") issued under Docket No.: 11-31687-CON, which authorizes the Applicant to establish a psychiatric outpatient clinic for adults and a facility for the care and treatment of substance abusive or dependent persons in Danbury, Connecticut. In its request for modification the Applicant seeks to add mental health day treatment and substance abuse day and evening treatment to the CON.

On February 14, 2012, the Applicant submitted additional information in support of its request to modify.

The Applicant indicates that the additional Clinic licenses will allow the Applicant to provide treatment to member for more than (4) hours of treatment in the day.

In accordance with General Statutes § 4-181a(b), OHCA modifies the CON Order under Docket No.: 11-31687-CON to include Mental Health Day Treatment and Substance Abuse Day and Evening Treatment.

If you have any questions regarding this action, please contact Paolo Fiducia, Associate Health Care Analyst at (860) 418-7001.

Sincerely,

Lisa A. Davis, MBA, BSN, RN
