Re: Coastal Digestive Care Center, LLC
CON Determination Report Number 04-30107-DTR
Exception from CON Process Pursuant to Public Act 04-249

Dear Ms. Reveron:

On July 24, 2004, the Office of Health Care Access ("OHCA") received your letter with respect to Coastal Digestive Care Center, LLC's (Applicant) inquiry as to whether its previous Certificate of Need determination remains in effect in light of the passage of Public Act 04-249 by the Connecticut General Assembly in its most recent legislative session.

Based on a review of all information OHCA has received to date from the Applicant in conjunction with Docket Number 03-30107-DTR, OHCA determines that the evidence provided remains satisfactory and demonstrates that your outpatient surgical facility has been in operation on or before July 1, 2003. Consequently, the exception from obtaining a Certificate of Need determination you received from the Office of Health Care Access dated July 17, 2003, for your facility remains in effect. Please be aware, however, that any change in scope or services from those presented in Docket Number 03-30107-DTR will require a Certificate of Need from OHCA.

If you have any questions concerning this letter or the Certificate of Need process, please contact Susan Cole, CON Supervisor, at (860) 418-7038.

Sincerely,

Signed by Cristine A. Vogel, Commissioner
Office of Health Care Access
