Re: Certificate of Need Determination, Report Number 04-30385-DTR  
St. Mary's Hospital Corporation  
Relocation of Occupational Medicine Services

Dear Mr. Wable:

This is to acknowledge receipt of your letter requesting a Certificate of Need ("CON") determination for the relocation of Occupational Medicine Services from its current location at 133 Scovill Street, Waterbury, Connecticut to 1320 West Main Street, Waterbury, Connecticut.

Please be advised that the Office of Health Care Access ("OHCA") has reviewed your request and finds that the relocation of the existing occupational medicine services will not change the area served by your program, the licensing category of your program, or any aspects of program delivery. In addition the capital expenditure to be incurred as a result of the relocation will be less than the statutory limit of \$1,000,000. Based on these findings, OHCA has determined that CON approval is not required for you to proceed with the planned relocation.

Thank you for keeping OHCA informed of your relocation plan. If you have any questions concerning this letter, please call Paolo Fiducia at (860) 418-7035.

Sincerely,

Signed by Cristine A. Vogel  
Commissioner
