Re: Certificate of Need Determination Report Number 10-31648-DTR
Yale-New Haven Hospital
Relocation of Temple Radiology Office in West Haven from 385 Main Street to
500 Elm Street

Dear Ms. Ahn:

On July 8, 2010, the Office of Health Care Access ("OHCA") received your Certificate of Need ("CON") Determination request concerning the proposal of Yale-New Haven Hospital ("YNHH"), to relocate its Temple Radiology Office ("TRO") from 385 Main Street, West Haven, to 500 Elm Street, West Haven, Connecticut. OHCA has reviewed the information contained in your CON Determination request letter and makes the following findings:

1. YNHH is a short term acute care general hospital located at 20 York Street in New Haven, Connecticut.
2. YNHH currently provides general radiography services at TRO, located at 385 Main Street in West Haven, Connecticut.
3. YNHH is proposing to relocate TRO to 500 Elm Street in West Haven, Connecticut.
4. The service area and target population will not change as a result of the relocation.
5. No additional programs are proposed and no services will be terminated.
6. The total capital expenditure associated with this relocation is \$1,471,719.

Based upon the foregoing, OHCA has determined that Yale-New Haven Hospital's proposal to relocate Temple Radiology Office within West Haven does not require CON approval. The proposed relocation does not involve the establishment of an additional

function or service or the termination of services under General Statutes § 19a-638. Additionally, the capital expenditure associated with the proposal does not exceed the threshold under General Statutes § 19a-639.

Thank you for providing information to OHCA regarding this proposal. If you have any questions regarding this letter, please contact Tillman Foster, Associate Health Care Analyst, at (860) 418-7020.

Sincerely,

Cristine A. Vogel
Deputy Commissioner
