Re: Certificate of Need Determination; Report Number: 11-31689-DTR
Hospital of Saint Raphael
Expansion of Adult Psychiatric Day Program

Dear Ms. Lemieux:

On February 15, 2011, the Office of Health Care Access ("OHCA") received your determination request on behalf of Hospital of Saint Raphael ("Hospital") with respect to whether a certificate of need ("CON") is required for Hospital to establish an adult psychiatric day program in Hamden, Connecticut. The Hospital operates a psychiatric day program in New Haven and would like to offer the same services at 1100 Sherman Avenue in Hamden under the Hospital license. The proposal to expand the Hospital's current program to a second location in Hamden is not considered the establishment of a health care facility and therefore, a CON is not required.

Thank you for informing OHCA of your plans and if you have any questions regarding this letter, please contact Steven W. Lazarus, Associate Health Care Analyst, at (860) 418-7012.

Sincerely,

A handwritten signature in cursive script that reads "Jeannette B. DeJesus".

Jeannette B. DeJesus, MPA, MSW
Deputy Commissioner, OHCA
