Expiration of the CON Rendered under Docket Number: 08-31187-CON, A
Facilities Project to Modernize the Hospital's Adult Emergency Department and
to Acquire a CT Scanner for Use in ED Trauma Cases

Dear Ms. Rosenthal:

On October 15, 2012, the Department of Public Health ("DPH"), Office of Health Care Access ("OHCA"), received your request to extend the expiration date of the CON rendered under Docket Number: 08-31187-CON, for Yale-New Haven Hospital's facilities project to modernize its Adult Emergency Department and to acquire a CT Scanner for use in Emergency Department trauma cases.

Condition #1 within the Final Decision's Order under Docket Number: 08-31187-CON states:

"1. This authorization shall expire on October 22, 2012. Should the Hospital's project not be completed by that date, the Hospital must seek further approval from OHCA to complete the building project beyond that date."

Yale-New Haven Hospital requests that in light of the new project completion date of June 30, 2013, Condition #1 within the Final Decision's Order be changed from October 22, 2012 to June 30, 2013.

As required by Connecticut General Statutes § 19a-639b (b), OHCA noticed this request on its website for 30 days, which ended November 15, 2012. During the posting period, OHCA did not receive any written comments or requests for a public hearing.

Based upon a review of the factors outlined above, OHCA determines that the Hospital's request to extend the Certificate of Need expiration date is reasonably necessary to expeditiously complete the project and the request is hereby **granted**, pursuant to the provisions set forth in Connecticut General Statutes §19a-639b (b). OHCA hereby extends the CON expiration date rendered under Docket Number: 08-31187-CON from October 22, 2012 to June 30, 2013. If you have any questions regarding this correspondence, please contact Jack A. Huber at (860) 418-7069.
