**Re: Relocation of Naugatuck Valley MRI Limited Partnership MRI Facility**

Dear Ms. Martone:

I am writing on behalf of Naugatuck Valley MRI Limited Partnership to advise the Office of Health Care Access ("OHCA") that Naugatuck Valley MRI Limited Partnership ("NVMRI") plans to replace and relocate the Magnetic Resonance Imaging ("MRI") scanner previously approved under Docket No. 88-512 and Docket No. 07-31056-WVR from its present location at 56 Franklin Street, Waterbury, Connecticut to 1389 West Main Street, Waterbury, Connecticut, a distance of approximately 1.9 miles. We anticipate that the MRI scanner relocation and replacement will be completed in approximately six to eight months.

It is our understanding that, pursuant to Connecticut General Statutes § 19a-638, a CON is not required for NVMRI to relocate and replace its current MRI scanner. (See, e.g., *Yale New Haven Hospital*, Docket No. 12-31741-DTR; *Mandell & Blau, M.D.'s P.C.*, Docket No. 12-31813-DTR). This letter also confirms NVMRI's understanding that it will be required to complete a CON Notification Form and file it with OHCA when it does replace its previously authorized MRI scanner.

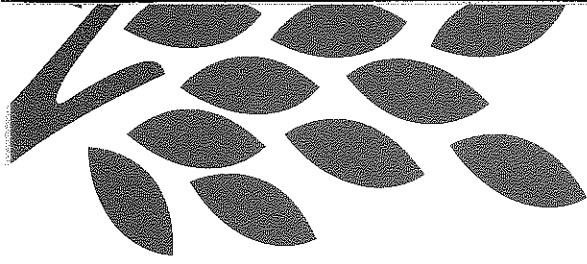

We would respectfully request that you confirm as correct our understanding that a CON is not required for this proposed relocation and replacement.

Thank you for your attention to this matter.

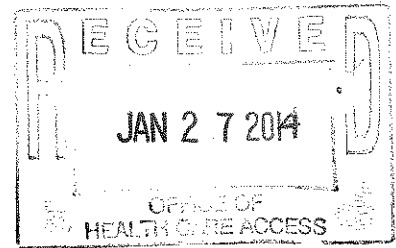

Very truly yours,

RE: Certificate of Need Determination Report Number 14-31890-DTR  
Relocation of Magnetic Resonance Imaging Scanner

Dear Dr. Manton:

On January 23, 2014, the Office of Health Care Access ("OHCA") received your Certificate of Need ("CON") Determination request on behalf of Naugatuck Valley MRI Limited Partnership ("Petitioner") with respect to the replacement and relocation of a Magnetic Resonance Imaging ("MRI") scanner.

The Petitioner asserts that its MRI scanner was approved under Docket No. 88-512 and Docket No. 07-31056-WVR. The Petitioner plans to replace and relocate the MRI scanner from its present location, 56 Franklin Street, Waterbury, Connecticut, to a location approximately 1.9 miles away, 1389 West Main Street, Waterbury, Connecticut.

Connecticut General Statutes § 19a-638(a) does not require a CON for the relocation or replacement of existing imaging equipment. Therefore, a CON *is not required* for the Petitioner's proposal.

Sincerely,

Kimberly R. Martone
