## Certification Process, Standards and Requirements Overview

Certification is a designation awarded to individuals who demonstrate their competency in a given field. Competency is achieved through a combination of education and experience. In order to apply for the Certified Community Health Worker (CCHW) credential, applicants must provide verifiable documentation that demonstrates he or she has the specified educational and experiential background necessary for certification.

This *Certified Community Health Worker (CCHW) Candidate Guide for Application* provides policy requirements and standardized forms designed to assist the applicant to gather mandatory documentation. Some of the forms are to be completed by the applicant and provided directly to the FCB via the electronic application portal or mail; some of the forms are to be provided to former employers, supervisors, personal references, or others to complete and mail directly to the FCB on behalf of the CCHW applicant. Forms mailed to the FCB will be uploaded to the applicant's electronic file by the assigned certification specialist. Each form indicates the individual who must complete the document.

Please carefully read this document PRIOR to applying for certification as it includes information on certification application, award and maintenance process, policy and mandatory forms.

### Application Submission Options

The Florida Certification Board accepts both electronic and hard-copy applications for certification. Throughout this document, you will find directions for both on-line and hard-copy application.

**NOTE: The FCB is currently transitioning to a new on-line database and application vendor. Until the system is complete, all applications are submitted manually and the \$25 data entry fee is waived.**

The preferred method of application is electronic, via our on-line portal. There is a \$25 data entry fee for all hard-copy submissions.

- Individual's submitting electronic applications are encouraged to print out a hard copy of all applicant-completed forms to use as a worksheet *prior* to entering data on-line. Additionally, on-line submission requires the applicant to upload specified supporting documentation to the system. For additional assistance in electronic submission, please contact our offices at **850-222-6314**.
- Individual's submitting hard-copy applications are encouraged to make a complete photocopy of the application, including all supporting documentation, *prior* to submitting the application to the FCB. Hard-copy applications, including all supporting documentation, will be entered into the FCB electronic database by certification specialists.

**A valid email address is required for both on-line and hard-copy application submissions.**

## Step 2: Examination Process

**Requirement:** Earn a passing score on the Florida Certified Community Health Worker (CCHW) exam. The CCHW exam is a 100-item, multiple choice test.

Applicants will not be eligible to register for the CCHW exam UNTIL all other certification requirements have been approved by an FCB certification specialist. Applicants will be provided with all information necessary to register for the CCHW exam when they have reached “approved to test” status.

Applicants will have 2 hours to complete the test. The unofficial test score will be provided immediately. FCB psychometricians will review test performance data and issue official scores approximately 3 business days after the test date.

## Step 3: Credential Award

The Certified Community Health Worker (CCHW) credential is issued within 10 business days of the FCB’s receipt of the official test results (approximately 3 business days after the test date).

The credential issue date is the day the applicant earned a passing score on the CCHW exam.

The CCHW credential is issued for a 24-month period, and will always renew on October 31st of the renewal calendar year. Depending on the initial certification award date, first time credential holders may be certified for slightly more or less than a standard 24-month period. The full 24-month renewal cycle will start after the credential is renewed for the first time.

## Application Appeal Process

When an applicant is denied certification, questions the results of the application review process, questions examination results, or is subject to an action by the FCB or its agents that he or she deems unjustified, the applicant has the right to an inquiry and/or an appeal.

An **inquiry** is when an applicant requests a written summary from the FCB that explains the reason for the action in question. A letter requesting an inquiry must be made to the FCB’s Director of Certification, in writing, within 30 calendar days of notification of FCB decision and/or action. An applicant shall be considered notified within 3 days of the date of the FCB’s notification. If the applicant does not agree with the decision and/or rationale of the FCB, he or she may request an appeal.

An **appeal** may be made to the FCB’s Director of Certification, in writing, within 30 calendar days of notification of FCB decision and/or action on the applicant’s inquiry. An applicant shall be considered notified within 3 days of the date of the FCB’s notification. The written appeal will be provided to the appropriated committee of the FCB’s Behavioral Health Advisory Council for review and action. The applicant will be notified in writing within 5-business days of the committee’s decision. The committee’s decision is final and not subject to further appeal.

## Part 2: Credential Maintenance and Renewal

Maintaining a credential in good standing is very important. To further our mission of public safety, the FCB maintains a public-access database allowing verification of an individual's certification status and ethical history. To remain in good standing, certified professionals must:

1. Actively participate in annual continuing education to maintain a current knowledge and skill base.
2. Follow the FCB Code of Ethical and Professional Conduct.
3. Complete the renewal process in a timely manner.

Please carefully read this section to ensure you understand maintenance and renewal requirements.

### Continuing Education

**Requirement:** CCHWs must complete 10 clock hours of continuing education units (CEUs) per year. One CEU is equal to 50 minutes of instruction.

Training content must be related to at least one of the CCHW performance domains and CEU clock hours must be non-repetitive (i.e., the same course cannot be claimed more than one time during each credentialed period, even if the course was taken annually.)

Continuing education units must be earned from a FCB recognized or approved CEU training provider: some training providers hold approval from other entities that is recognized by the FCB, other training providers apply for and hold FCB Training Provider Status.

FCB Recognized Education and Training Providers: The FCB will honor CEUs issued by any of the following providers:

1. FCB approved education and training providers
2. College or university coursework offered by institutions holding Federal Department of Education and/or Council of Higher Education Accreditation (CHEA) recognized accreditation.
3. Training providers approved to offer CEUs by other state or national professional licensing or certification boards.

FCB Approved Education and Training Providers: The FCB will award FCB Education and Training Provider status and a number to approved applicants. A list of approved FCB Education and Training Providers is maintained on our webpage at [www.flcertificationboard.org](http://www.flcertificationboard.org).

**How to Document Compliance with CEU Requirements:** The certified professional is responsible for maintaining CEU documentation for a minimum of 3 years, in case of audit. Valid documentation includes certificates of completion, official employer training transcripts, or college/university transcripts. Please see *Content Specific Training Requirement* policy for documentation requirements.

**CEU Audit:** Approximately 3 months prior to the credential's expiration date, the FCB will randomly select 20% of the certified population for a CEU audit to ensure compliance with the CEU requirement.

Audited individuals will be notified of such approximately 2 months prior to the credential's expiration date.

Audited individuals must submit CEU documentation to the FCB for review and approval PRIOR to the credential expiration date. Please note: payment of renewal fees and non-submission or denial of submitted CEUs may result in the credential being placed on inactive status.

Although only audited individuals are required to submit CEU documentation to the FCB as part of the renewal process, all CCHWs must maintain documentation of compliance with CEU requirements for 3 years, in case of future audit.

### **How to Calculate CEU Clock hours:**

One CEU is equal to 50 minutes of instruction.

College coursework is credited at the rate of 45-clock clock hours per 3 semester hour course. If the entire course is not related to the core competencies of a Certified Community Health Worker (CCHW), partial credit may be calculated for related topics covered in the overall course.

Partial-day, Full-day and Multi-day training events are credited for instructional time only. Breaks are deducted from the total clock hours claimed. If the total credit clock hours are not listed on the certificate, attach a copy of the training agenda.

Conferences are credited for break-out session and plenary sessions only. Breaks are deducted from the total clock hours claimed. Please attach a copy of the conference program to your application.

**FCB Accept/Deny Criteria:** CEU documentation will be approved if the documentation includes all required information; the training was completed between the certification award and expiration dates, and there is a clear link between the training event and the scope of service for a Certified Community Health Worker.

Failure to meet these requirements may result in disciplinary or ethical action. Credentials will not be renewed until CEU requirements are satisfied.

## **Credential Renewal**

**Requirement:** Certified Community Health Workers must renew the credential every two years, no later than October 31 of the renewal year.

### **Renewal Notice Process:**

The FCB will send out renewal notices approximately 2 months before the renewal due date. Renewal fees must be paid and, if audited\*, CEU documentation must be approved no later than October 31st of the renewal year.

Individuals who DO NOT meet renewal requirements by October 31st may pay the renewal fee, a \$50 late fee and must submit CEU (regardless of audit status) no later than November 30<sup>th</sup> renewal year.

Individuals who DO NOT meet renewal requirements by December 1<sup>st</sup> of the renewal year will be automatically placed in inactive status and must complete the FCB Reinstatement Process to recertify.

Please note: Should a credential earned during the grandparenting period become inactive or suspended, the individual must take and pass the CCHW exam as part of the credential reinstatement process.

*\* **CEU Audit:** Approximately 3 months prior to the credential's expiration date, the FCB will randomly select 20% of the certified population for a CEU audit to ensure compliance with the CEU requirement.*

*Audited individuals will be notified of such approximately 2 months prior to the credential's expiration date.*

*Audited individuals must submit CEU documentation to the FCB for review and approval PRIOR to the credential expiration date. Please note: payment of renewal fees and non-submission or denial of submitted CEUs may result in the credential being placed on inactive status.*
