RFP Summary. The Office of Health Strategy (OHS) is seeking proposals from public and private organizations to work with the OHS, the Office of Early Childhood (OEC), and the Departments of Social Services (DSS), Children and Families (DCF), and Public Health (DPH) to research and develop reimbursement and sustainability plans related to the Universal Nurse Home Visiting-Community Health Worker Pilot Program of Greater Bridgeport, known as Family Bridge. OHS is seeking innovative and creative sustainability and reimbursement plans that reflect a thorough understanding of the services to be provided, their intended impact, and their significance. The respondent's proposed scope of work will include research, analysis, recommendation, development of a project plan and implementation assistance regarding commercial and Medicaid reimbursement for the Family Bridge, inclusive of the UNHV and CHW components.

3. All budgets must be submitted using the OHS RFP Budget Template which is attached as a document to the RFP. All costs must align with standards found in the OPM Cost Standards: [POS Cost Standards \(ct.gov\)](https://www.ct.gov/ops/portal/ops/ops_home.asp)
